

FSA Board of Directors for 2024-2025 - CANDIDATE STATEMENTS

Sean Daley, MD – Running for Assistant Treasurer & District Director West (incumbent)

My name is Dr. Sean Daley, and I am a Board-Certified Anesthesiologist and Fellow of the American Society of Anesthesiologists. I am currently a facility medical director for TeamHealth at the Florida Orthopedic Institute in Tampa, Florida.

For the past 7 years, I have had the honor of serving the Florida Society of Anesthesiologists as one of the District Directors in the West Region. In that role, I have worked to promote the value of the FSA to our members and have played an active role in recruiting more members to our society. I have also been very active in the FSA Legislative Affairs Committee. I have participated in numerous legislative visits to Tallahassee and have also served as the Doctor of the Day in the State Senate on multiple occasions. At the local level, I have recently served a 2-year term as the President of the Sarasota County Medical Society and continue an active role with this organization as well. I am a member of the ASA, FSA, FMA, ASRA, and SAMBA, where I now serve on their Affiliations Committee.

I truly feel that I have the experience, the knowledge, and the drive to serve our society at the next level on the executive board. I would like to thank you for considering me for this position and I appreciate your future support.

Cameron Howard, MD, MBA, CPE, FASA – Running for Assistant Treasurer

Thank you for considering me for the assistant treasurer position.

I think I have a fairly unique viewpoint serving as chief of a corporate group, working in a community private practice hospital while also leading in a GME program. I'm a UM/Jackson product and I've worked at several different hospitals on both coasts of the state. Currently, I'm the district director of enhanced recovery for the Memorial Health System and Chief of Anesthesiology at Memorial Hospital West where I've worked for 15 years. Over that time, I've completed a Physician Executive certificate with the American Association for Physician Leadership, achieved mentor status for POCUS, obtained a FASA designation and completed an MBA with UMass.

As it pertains to FSA, I've served on the Board, legislative affairs committee and most recently as membership chair. I've personally visited 3 residency programs in the state to present the value of FSA directly to residents. I also enjoy advocating for Anesthesiologists at the FSA Tallahassee and ASA Washington, DC Legislative Conferences. I've served as Doctor of the Day in the Florida House and represented ASA at the National Governor's Association meeting and the Congressional Majority dinner. I'm a member of the \$1,000 club for FSA and an ASAPAC donor as well. I thoroughly enjoy advocating for Anesthesiologists, defending our leadership of anesthesia care, and I humbly ask for your vote for assistant treasurer.

James Knox Kerr III, MD – running for District 1 North

I enjoy serving on the FSA Board of Directors and believe I bring an interest and passion to advocate, promote, and protect the medical specialty of anesthesiology.

FSA Board of Directors for 2024-2025 - CANDIDATE STATEMENTS

Cindy Yeoh, MD – Running for ASA Delegate At Large

I am an Associate Attending in the Department of Anesthesiology at Moffitt Cancer Center (MCC). Prior to relocating to Florida, I worked at Memorial Sloan Kettering Cancer Center (MSKCC) and was an active member within the New York State Society of Anesthesiologists (NYSSA). I served as an Alternate Delegate to the NYSSA for 6 years and then as a Delegate for another 5 years. I was also a member of the NYSSA Committees for CME and Communications. Since moving to Florida, I have served as a member on the FSA Annual Meeting Program Committee for 2 consecutive years and was recently appointed as FSA representative to the ASA Contractors Advisory Committee. I have been actively involved in the ASA through the Committee of Professional Diversity (2018-2021), and I have served as an abstract reviewer and moderator for the ASA Committee on Equipment, Monitoring, and Engineering Technology since 2017. Because of my experience from the NYSSA House of Delegates and active involvement in the FSA and ASA, I feel qualified to serve the FSA in the role of Delegate or Alternate Delegate for the ASA. I have the relevant background and experience that will be useful in this position. If given the opportunity, I am committed to serving both the FSA and ASA to the best of my abilities, to counsel and vote in accordance with constituent needs and in the best interest of the FSA.

John Joseph Doyle, MD – Running for ASA Delegate at Large (incumbent)

I am a cardiovascular anesthesiologist who is a Diplomate of the American Board of Anesthesiology and certified in transesophageal echocardiography. I completed my medical internship at Yale University and USF Anesthesiology Residency.

While at Mayo Clinic in Jacksonville I trained in Cardiac TEE and was chosen to be the cardiac anesthesiologist for the first Cardiac Transplants at Mayo Clinic Jacksonville. I have over 25 years experience in Cardiac Anesthesia and had been recruited by Cardiothoracic & Vascular Surgical Associates to start numerous cardiac programs including Flagler Hospital, Orange Park Medical Center and the Structural Heart program at Baptist Medical Center Downtown with heart surgeons Derek Muehrcke and Nathan Bates.

Currently for the past seven years I have been providing anesthesia coverage for Cardiothoracic Surgery, Level 1 Trauma, OB, Neuro and Ortho patients at Memorial Hospital.

I am currently a Delegate from the State of Florida to the American Society of Anesthesiology since 2016 and an Alternate Delegate for eight years prior to that beginning in 2008. I was the Chair of the FSA Membership Committee from 2013-2020 and District Director NE Division 2013-2020. I have attended every ASA, FSA, Tallahassee and Washington DC meeting for over fifteen years. I am the current FSA PAC Chair and have held that position since 2019. I have donated to FSA & ASA PACs since I've been involved with the FSA. In 2019 at the FSA annual meeting I was awarded the FSA Presidential Engagement Award for my selfless acts of time and dedication to the specialty of Anesthesiology.

I am grateful for this honor and want to continue to contribute to the FSA. I am committed to the FSA and its mission. There is still work to be done at the state level. The continuing assault on our profession by the crna's will always be an ever present danger to patient care.

I ask for your vote.

FSA Board of Directors for 2024-2025 - CANDIDATE STATEMENTS

Roger Duncan III, MD – Running for ASA Alternate Delegate (incumbent)

I have been an active FSA member for over a decade. I have traveled to Tallahassee to advocate for our needs and issues on the legislative affairs team and as Doctor of the Day for the Florida Senate.. A couple of years ago, I was honored to received The FSA Presidential Distinction Award. For many years, I have been a consistent FSA and FMA \$500 or greater PAC contributor. I have served as the past President of the Palm Beach County Medical Society and the T. Leroy Jefferson Medical Society And on numerous philanthropic boards.

One of my most heartfelt acts of service is to the next generation of future healthcare providers! For over 35 years I have met with, mentored and fostered the development of more than 35,000 youths, encouraging their expiration of careers in healthcare. Whether that be through organizing your Long hospital externships, to classroom visitation with a variety of professionals from judges, attorneys, engineers, millionaire business people, physicians, and hospital administrators to the recently completed 12th annual healthcare and science career symposium with over 700 student participants. These programs have documented effectiveness and have won numerous awards.

Brenda Fahy, MD – Running for ASA Alternate Delegate (incumbent)

I am a Professor of Anesthesiology and Associate Chief for Faculty Affairs and Professional Development Care at the University of Florida. I have served in leadership positions within medical organizations including the ABA Board of Directors and ACGME Residency Review Committee. My ASA involvement includes serving from 2015-2019 on the ABA-ASA-AMA Joint Committee including Chair during my last year of service. I previously served as an ASA appointed liaison to the American College of Surgeons Committee on Perioperative Care with surgeons and others from the Council on Surgical and Perioperative Safety. Additional ASA service includes chairing the Committee on Surgical and Procedural Anesthesia with its liaison representatives, and the Committees on Academic Anesthesiology and Future Models of Anesthesia Practice. I currently serve on the ASA Abstract Review Subcommittee on Respiration, Committee on Physician Well-being and Committee on Women Anesthesiologists. Since moving to Florida in 2012 and joining that FSA I have served as an alternate delegate attending the FSA board activities, and Florida and Southern Caucuses and am a member of the FSA Legislative Affairs Committee. I have also served as the Southern delegation representative to the Reference Committee on Scientific Affairs. I participate in the FSA meeting yearly and have provided 4 lectures since joining the FSA. I have also served in the House of Delegates for the FSA when called upon as an alternate delegate. In these various roles, I continue to have opportunities to advocate for the physician led anesthesia care team to advance the highest standards of the practice of anesthesiology. I am motivated to continue to have the opportunity to assist the FSA with its mission and vision to advance these high standards. With my professional involvements I am able to assist the FSA with crucial connections and provide its me and provide its members with recommendations for service opportunities.

Sarah Bodin, MD – Running for FMA Delegate (incumbent)

As a physician now straddling the anesthesiology and obesity medical worlds, I enjoy working with physicians of all specialities to further the cause of good medicine and positive healthcare change for Floridians. I have served as our FSA North District director for the last two years, and am an active member of the FSA Legislative Committee, and have advocated for FSA interests multiple times in Talahassee. I am a member of the FSA Professional Diversity Committee as well. I truly enjoy engaging with physicians of all types, and as a member of Physicians for Patient Protection, I believe in joining with other specialities to protect patients from the negative forces from all sides of medicine, especially scope creep and negative corporate pressures, though public education and advocacy. As a delegate to the FMA, I will represent our interests as outlined by the Board, and bring relevant FMA initiatives and concern back to the FSA for consideration as well.

Jonathan Nieves, MD – Running for FMA Delegate

I have always considered myself to be an underdog, having played Division I football at Florida International University, attending a foreign medical school, and starting a new anesthesia residency program. I have always worn this cap proudly and have been successful with perseverance, hard work, and dedication. I want to help our specialty to lead the way in patient care by upholding the distinguished anesthesia standards and breaking through new barriers.

Throughout my journey, I have had the privilege to be involved with ASA/FSA serving as a resident delegate and alternate delegate. I am also a part of the FSA resident task force to help increase resident involvement. I was able to help organize a resident dinner presentation during last year's FSA conference. I also had the opportunity to participate in the FSA Legislative Days in Tallahassee last year and was able to meet with legislators. I got to see firsthand how important it is to foster these relationships and continue to advocate for patient safety.

In addition, I currently serve on the governing council of the Resident and Fellow Section of the Florida Medical Association as Vice President. In this role, I have been able to be a part of the legislative process in the House of Medicine and work together with other colleagues to resolve important topics affecting physicians in all specialties.

Being able to embrace the different perspectives makes us collectively better and ultimately improves patient care. My goal is to apply what I have learned from these experiences and continue my involvement in FSA to help shape the future of our specialty. Now that I am at the end of my residency training, I would love the opportunity to continue to grow within FSA and continue to advocate for our specialty.
